

6 February 1979

MEMORANDUM FOR: NFAC Administration
FROM : Presidential Briefing Coordinator
SUBJECT : Request for Issuance of White House Badges

1. The DCI's aide has requested the issuance of White House badges for the Presidential Briefing Coordinator and Assistant Presidential Briefing Coordinator. Both are involved in the preparation of the DCI's briefings at his office in the Old Executive Office Building (EOB).

2. To prepare the Director for these and other briefings require admittance into the EOB at least 1-2 times a week and into the White House itself occasionally. Their admittance is time sensitive and in the past has been delayed at inopportune times. Additionally inspection of briefcases and packages are required for those not having White House badges, which is time consuming and risks unauthorized disclosure of classified information.
